LONG VERSION

BurlingtonEnglish offers a wide range of easy-to-use, online, blended solutions for your students' English language learning and career readiness needs.

Burlington– Innovative Teaching Made Easy!

Burlington's Course Offering is listed below:

Burlington Core: This six-level course is developed specifically for adult ESL students, is written to CCRS & ELPS, and covers all four language skills, and grammar.

- Comprehensive blended curriculum, includes teacher-led and student independent lessons.
- Each level has over 100 hours of content
- Integrates important life-skills, digital literacy skills and EL Civics

English in America: Students living and working in the U.S. will improve their language skills and gain important life-skills by using English in America. This blended, multi-level course includes a wide range of topic-based modules with a strong EL Civics focus.

Career Exploration & Soft Skills: This blended, career-focused course is designed to help students at Beginner, Intermediate & Advanced levels:

- Plan their career pathways and explore career options
- Gain the soft skills needed to find a job and succeed in the workplace
- Learn about education and learning opportunities

Career Wordlists & Career Courses: Burlington offers 70 Career specific wordlists and courses organized by the 16 Career Clusters. These offerings help students acquire the career specific English they need to succeed in their chosen careers.

Prepare for CASAS: Help your students improve their performance on the CASAS test! Prepare for CASAS, a powerful teaching tool for students' success, including reading & listening tests for levels A, B & C. Prepare for CASAS reflects a blending learning methodology by combining teacher-led (ICL) with student directed on-line learning.

Using Your Computer: Aligned to the NorthStar Digital Literacy Assessment V2.0 Standards - Basic Computer Skills Module. Through a series of short animated videos, students develop the basic digital literacy to be success in using Burlington English courses.

Digital Readers: The BurlingtonEnglish Library is an online collection of multi-level graded readers. Students can enjoy reading a wide selection of fiction, non-fiction, classic and contemporary novels in class or on their own. Includes interactive comprehension activities to encourage students to think critically, construct meaning from the text, and test for understanding.
