

HOW TO WRITE A PARAGRAPH

The Topic Sentence should tell your reader what your paragraph will be about. The topic sentence states the main idea of the paragraph.

Supporting Details help explain your main idea to your reader. You may do this through:

- Stories from your own life
- Facts, quotes, or examples from an article you've read or research you've done

You should include 3-4 supporting details.

Your last sentence restates your topic sentence using different words. It should sum up what you just told your reader.
