MINNEAPOLIS

East Side Learning Center (ESLC)

Locations available throughout St. Paul and Minneapolis.

- Coordinator: Shoua Khang
- E-mail: shoua.khang@eslcmn.org
- Phone: 651-808-8107 (work); 651-504-4888 (cell)
- Commitment: 1 hour per week. Stipends available for volunteers age 50+ who commit 8-10 hours per week.

- [Online application](#)

East Side Learning Center provides free, one-on-one reading tutoring to Pre-K through 3rd graders. Tutoring opportunities are available at eleven different schools and after school sites in St. Paul and Minneapolis. Volunteers are only asked to tutor a minimum of one child, once a week for about 30 minutes, but most people tutor much more! No experience? No problem! Training, materials, and on-site support are provided.

ESLC is the proud host of the AARP Foundation Experience Corps program, inspiring and empowering adults 50 and older to serve in their community and disrupt the cycle of poverty by making a lasting difference in the lives of America's most vulnerable children. 6-10 hours per week commitment for one school year; volunteers who commit 8-10 hours/week are eligible for a stipend.
<https://www.aarp.org/experience-corps/experience-corps-volunteer/>

Volunteers age 16 and up accepted. Opportunities available Monday - Thursday, 8:00am to 5:00pm. Volunteers accepted year round, including summer. Wheelchair accessible locations.

COVID-19 Update for Spring 2021: ESLC is doing virtual tutoring and expects to continue virtual distance learning for students and tutors during the 2021-2022 school year. Volunteers will be provided with everything they need to successfully tutor from home: training, technology, materials and staff support. ***ESLC is now only recruiting volunteers for the Experience Corps program - volunteers 50 years and older who can make a 2+ day a week commitment.***

MINNEAPOLIS

Simpson Housing Services

Reading Tutoring: 17 E. 24th St., Minneapolis, MN 55404

Literacy Mentoring: public libraries throughout western metro

- Coordinator: Jocelyn Pickreign
- E-mail: jpickreign@simpsonhousing.org
- Phone: 612-455-0850
- Commitment: Reading Tutors: minimum 1 hour/week for the school year. Literacy Mentors: 1 hour/week, plus 1 Saturday per month for the school year.
- [Website](#)
- [Online application](#)

Tutors and mentors support literacy skills, social-emotional skills, and relationship building for elementary-aged (K-5) students, with the ultimate goal of interrupting the generational cycle of homelessness. Reading Tutors work 1:1 with a child at our transitional housing site for 60 minutes once or twice a week. Staff prepare the literacy lessons and materials and are available on site for support. Hours are M-Th, 5:00-6:00 pm. Literacy Mentors work 1:1 with a child in our scattered site programs for 60 minutes once a week. Staff prepare the literacy lessons and materials, but tutoring takes place according to the mentor and mentee's schedules at various public libraries across the west metro. In addition to weekly tutoring, mentoring pairs attend monthly enrichment outings.

Volunteers must be 21+ and pass a criminal background check. Reading Tutors serve October-May; we will accept applications all year, but cannot guarantee a full-time match after the start date. Literacy Mentors serve during the school year; we will accept applications until our school year cohort is full (usually late September). Applications received after that will be held for the next year's cohort.

COVID-19 Update for Fall 2020: Due to Covid-19, mentors and tutors will begin volunteering virtually, using Zoom or another approved video platform. Training will be provided. Volunteers will transition to in-person service as soon as it is safe to do so.

MINNEAPOLIS

Boys & Girls Clubs of the Twin Cities

Locations in Minneapolis: 2410 Irving Ave N, 701 E 39th St and 2495 18th Ave S

- Coordinator: Molly Hemes
- E-mail: mhemes@bgc-tc.org
- Phone: 651-200-4102
- [Website](#)

Starting June 14, Club programming changes to daytime hours (8 a.m. – 5:30 p.m.), Monday–Friday during the summer. Our Literacy Program takes place during the mornings. All members K–3, and some 4–6, are involved in literacy stations and/or literacy lessons during these times. Our area of need is helping our Program Directors to run literacy stations during that time. Each program area has stations set up that focus on phonological awareness (letter/sounds/alphabet recognition), vocabulary/sight words, and reading/comprehension/fluency. Program Directors and other Club youth development staff run these stations in hands-on multi-sensory ways that are engaging. We need volunteers to run literacy stations as these members are rotated through. As we group our members based on assessment data, we may also need volunteers who are interested in doing one-to-one tutoring in reading (this could be a more flexible time commitment). We would love to have you as a part of our literacy team!

Individuals must complete a background check and online training in child abuse prevention to begin volunteering.

Update for Summer 2021: We plan to increase in-person volunteer involvement this summer to assist youth with academic support, though volunteers are still needed on a limited basis, based on the number of youth attending each Club. Please email Molly Hemes to inquire about volunteer capacity – please note that you are reaching out through Literacy Minnesota.

Students and tutors will choose their preferred virtual platform.</p> <p>Volunteers age 18 and older accepted. Volunteers must have graduated from high school/GED.</p> <p>Update for Summer 2021: Still accepting a small number of mentors and tutors for the summer! For the summer we will be offering both outdoor in-person as well as virtual options. Summer programming tends to focus on supporting the literacy skills of younger students. The following summer volunteer opportunities support literacy:</p> <p>In-person:</p> <ul style="list-style-type: none"> • Active Chefs, 4:30–7:30 p.m.: Assist with set-up, programming, and clean-up for weekly cooking and garden class for K-8th grade (outside). The Active Chefs program supports young students continuing to practice their reading skills in a really fun way over the summer as well as increases nutrition literacy! <p>Remote:</p> <ul style="list-style-type: none"> • GGB YouTube Tutorial Vlogs: Work with youth involved in our take home summer programming to edit and produce vlogs. The YouTube tutorial vlogs will be connected to our Summer Reads program, in which students will complete take home literacy activities that culminate in a video! • Teen PPT Presentations: Support the capacity of our work by creating PowerPoints and other mini lessons to be used in future college and career readiness groups or other activities to be done with teens. We will provide you with options of topics, or you can choose your own! An additional option is to create lessons about a topic that you have expertise in, (academic, marketing, a car skill, etc).

Are you interested in tutoring Karen high school students in Saint Paul Public Schools? KOM is looking for patient, flexible and self-motivated college students or adults who have a passion to tutor high school students with limited English proficiency. Tutors will assist students with homework during KOM's afterschool programs on Monday and/or Tuesday afternoons, or with students during the school day.

Please contact Humboldt High School and/or Harding High School's office regarding building accessibility. We have a required online application (available in paper copy as well), minimum age requirement of 18 years old, and we complete a background check on all youth tutor volunteers. Remote volunteer support needed due to COVID-19. (Potential for limited in-person tutoring at a designated location. More info to come.)

Good Neighbor Center

441 Rice Street, St. Paul, MN 55103

- Coordinator: Amanda Jacobson, Becky Peeper

The Good Neighbor Center tutoring program provides academic tutoring and mentoring for children in grades K-12 and college students. This program is free of charge to any young person who has the desire to learn. The program works to provide educational resources and enrichment opportunities to all young people in our community, in an effort to support strong and empowered communities.

Volunteer opportunities available Monday-Wednesday, 6:30-8:30 p.m. (Dinner 6:30-7 p.m.; tutoring/academic practices 7-8:30 p.m.). Free street and lot parking after 5 p.m. In-person tutoring: Everyone does a temp check, sanitizes or washes hands upon entry and is expected to be correctly masked. We have masks available. Since our program covers a wide range of ages and many of our families live in multigenerational homes or community housing and the vaccines are available for 12+, we are still requiring masking inside through the summer.

Update for Summer 2021: The school year is finishing up, but tutoring goes throughout the year and into the summer. We have an ongoing need for volunteers to work with our young people this summer. GNC usually has fewer tutors during the summer so our needs for volunteers are greater this time of year.

GREATER MINNESOTA

Hands Across the World

1605 Goettens Way Suite 206, St. Cloud, MN 56301

- Coordinator: Lisha Chaudhary
- E-mail: lisha@handsacrosstheworldmn.org
- Phone: 320-493-0943
- [Website](#)
- [Online application](#)

Hands Across the World is a St. Cloud, Minnesota-based nonprofit that champions immigrants and refugees throughout their journey in America. We provide dynamic education-centered opportunities that support children, adults, and families to feel welcomed and find a sense of belonging in their new communities. Hands Across the World programs prepare our newest neighbors to fully engage in American life in meaningful and enriching ways.

Hands Across the World is currently seeking VIRTUAL VOLUNTEER TUTORS to provide academic tutoring for children in our program who are enrolled in local public schools. Virtual Volunteer Tutors will be matched with a family and work with all of the siblings in that family to provide academic and homework help across all content areas. **This is a 100% remote volunteer opportunity with a flexible schedule based on the preference of the family and the volunteer.**

Virtual Volunteer Tutors are expected to meet with the K-12 students in the family they have been matched with via Zoom or Google Meet at least once a week. Total hours and length of volunteer service will be based on volunteer and family preferences. Tutoring sessions will be provided in English but volunteers who also speak Spanish or Somali are in great demand. Please email Lisha, the Volunteer Coordinator, at lisha@handsacrosstheworldmn.org to learn more and sign up as a Virtual Volunteer Tutor today! From Hands, to Hearts, to Minds, towards Peace – this is Hands Across the World!

Update for Summer 2021: Still in need of volunteers!
