Disability Consultative Services

Contact PANDA for assistance when you:

- ⇒ Suspect a student may have a disability
- ⇒ Have a student that has disclosed that they have a disability
- ⇒ Are concerned about a student's learning challenges, such as memory issues, mental health, learning disability or attention difficulties
- ⇒ Need special equipment for a student

Lending Library

Magnifiers, speaking calculators, personal amplifiers, adaptive keyboards and mice, multi-sensory items, and much more are available for loan to teachers and volunteers for student use. Visit the lending library chapter on the PANDA website for more information.

Tactile Letters
